

Czestochowa University of Technology
WaDaBa – waste image database
License Agreement

The **WaDaBa** database has been collected by scientists from Institute of Computer and Information Science of the Czestochowa University of Technology.

To advance state-of-the-art, the database will be made available to particular researchers only, who send the fulfilled form. Students must delegate the request of the database to their supervisors.

To receive the password of database archives, the Researcher must agree to the conditions below, and sign the document. The permission to download the database will be granted after the receipt of the signed document. By signing this document, the Researcher agrees that:

1. The database is released for research purposes only. The original data or modified copies will not be used for any commercial purposes.
2. The database will not be further distributed, published, copied, or further disseminated in any way or form whatsoever, whether for profit or not.
3. The database comes without any warranty. The Czestochowa University of Technology and its personnel are not responsible for any damage caused by the use of the database.
4. All documents and papers that report on research that use the WaDaBa database will acknowledge its use. At the mention of the database the following publication will be cited:

J. Bobulski, J. Piątkowski, PET waste classification method and Plastic Waste DataBase WaDaBa, *Advances in Intelligent Systems and Computing*, vol. 681, Springer Verlag, 2018, pp. 57-64.

5. Authors may withdraw this authorization due to non-compliance.
